--

Criterion – VI

Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision :

Marathwada College of Education has always been a Centre of Excellence by providing 'World Class Teacher Education' to students from all sections of society. It is marching ahead to impart quality training with commitment to excellence.

Mission :

- To impart value added education with efficient and competent man-power.
- To generate globally competitive and skill teachers.
- To generate researchers and thorough professionals.
- To meet global challenges.
- To train and equip teachers at all levels.
- To organize advance studies and promote research in Education.
- To inculcate research innovations and research aptitude among prospective Teachers and bring them into the new realm of Education Technology.
- Serving the society by developing potential and efficient Teachers.
- To provide cultural, secular and ethical values and Foster in Students the spirit of National Integration.
- To achieve the objective of secularism by promoting literacy and wisdom among students to carry out social services through extensive activities and hence pave the way for self-empowerment and develop dignity of labour.

6.2 Does the Institution have a Management Information System

NO

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

All though the syllabi are not framed by the College but by the University to which it is affiliated, so there was little scope of internal curricular designing. The college has its own Academic Calendar to run and complete the syllabus.

- The faculty met at the beginning of each Academic Session for allocation of Syllabus assignments, contents, fix days for the practical activities and the Academic Calendar for the Session was prepared.
- Subject committees were formed and co-ordinators were allocated for different subjects.
- Work load was distributed according to the activities prescribed by the Syllabus.
- Counselling for the students regarding the course and faculty was conducted after the admission procedure.
- Meetings were conducted at the end of the month to take the feedback and analysis was done.
- Organization of seminar, workshop, and paper reading was conducted.
- Community services were organized and successfully completed.
- Feedback from the stakeholders, teachers and students regarding the syllabus was taken.
- The feedback was discussed by the Board of Study Members in the University meeting and measures for refining the curriculum were given.

6.3.2 Teaching and Learning

Our Institution adopts some innovative processes in teaching and learning.

- Inter-active teaching and learning by class discussions, debates and seminars were conducted.
- Maximum use of Audio Vision Aids was done.
- Technology enabled teaching and learning process was practiced in the College. LCD projectors and overhead projectors were used for teaching regularly.
- Tutorials were conducted weekly. Bright and weak students were identified and counselled.
- Evaluation in theory and practical was done on a regular basis.
- Project work and dissertation work was carried out.
- Students were trained to prepare their lessons based on PowerPoint presentation.
- In methodology lectures every student were trained to prepare their teaching aids.
- ICT guidance was given to the students.

6.3.3 Examination and Evaluation

- Internal examination and evaluation – students were evaluated continuously through check list, observation, descriptive test, content test and college theory exams.
- External examination and evaluation – annual examination was conducted by the University in three phases i.e. Final lessons, Viva voce and University theory exam.
- Regular class tests and tutorials were conducted for training the students for the annual exams.
- Students were given guidance for writing application type answers.
- New pattern i.e. 80+20 was introduced by the University and the students were trained according to the new pattern.

6.3.4 Research and Development

- UGC granted Rs. 20,000/- for two minor Research Projects.
- Five faculty members attended seminars, workshop and conferences.
- Eight faculty members acted as resource persons.
- Two faculty members participated in refresher course.
- One faculty received the ideal teacher award.
- Principal was nominated as NAAC peer team member.
- Two faculty members were nominated as NCT affiliated committee members.
- Three faculty members were elected in Board of Studies.
- One Faculty member was nominated in RR committee.
- Two members worked as the committee member for admission.
- Eight students registered their names for research.
- A placement cell was formed.
- Non-teaching Staff participated in Computer training organized by the University.
- College has applied for National Workshop on SPSS.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- Eco-friendly peaceful campus life conducive to better learning.
- Library :
 - Colleges having well stocked and computerized library with wide range of books, magazines, research journals, encyclopaedia which cater to the needs of the students.
 - Faculty suggested a list of books based on the interaction with the students. 582 books were purchased.
 - 36 Journals were renewed and subscribed.
 - Rs. 23,629/- were spent to improve the library services.
- ICT :
 - Separate computer labs for B.Ed. and M.Ed. students updated with WLAN and Internet facility on each computer.
 - Technology up gradation of Rs. 1,17,130/- was done in 2008.
- Physical infrastructure :
 - Spacious class rooms with overhead projector in each class room.
 - Well equipped Science Room with Charts, Models, Glassware, specimen, chemicals, pictures of Scientist, etc.
 - Teaching aid room with equipments related to teaching and learning i.e. Maps, Globes, Geometrical Box, etc. Besides that materials for preparing teaching aid were also maintained.
 - Psychological laboratory with tools and tests.
 - A stadium consisting of big ground having tennis, badminton and handball courts.
 - A gym, special care room for emergency with ground first-aid facility.

6.3.6 Human Resource Management

The human resource of the college is managed in a free and democratic manner.

- For the management of the students' affair, the college has a students' council who are elected annually as per University statutes.
- Different committees are made for managing the Human Resources for e.g. Ladies cell in-charge, Grievance Committee, etc.
- Student groups are given guardian teachers to look after them and their activities.
- Above all, the Principal and the Governing body manages and develops the total Human Resource of the College.
- The College's aim is to make optimum use of the available Human Resource.

6.3.7 Faculty and Staff recruitment

Faculty and staff are recruited transparently as per Government norms/rules.

- Faculty members are recruited by the management following the Government procedure.
- NOC for the vacant seat is taken from the Joint Director Higher Education.
- Advertisement is published in the newspaper.
- Applications of the eligible candidates were accepted.
- Call letters for the Interviews are sent to the eligible candidates.
- Interview in the presence of selection committee consisting of Government Nominee, subject expert, management representative, principal, etc.

6.3.8 Industry Interaction / Collaboration

The College frequently interacts and has collaboration with local schools.

- The feedback of the Principal and subject teachers of the school related to practice teaching and internship was taken and improvement strategies were adopted.
- The feedback of the Principal and subject teachers of the school related to the examination pattern and the performance of the students was taken and improvement strategies were adopted.

6.3.9 Admission of Students

- Admission of students are done according to the Centralization Process specified by the Government
- Pre Admission counselling of students are done to identify their area of interest and to guide them to choose their subject.
- Post Admission counselling of students is done to motivate the students in the subject of study and to give students an overall idea of the subject.

6.4 Welfare schemes for

Teaching	Credit Society, Provident Fund, EPF.
Non - teaching	Festival Loan.
Students	Minority Scholarship, GOI Scholarship.

6.5 Total corpus fund generated

--

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	NO		YES	Academic Council & Governing Body.
Administrative	NO		YES	Governing Body

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad holds and declares result of the U.G. and P.G. courses, hence the College has no control over the date of publication of results. The University declares the results within 40 to 45 days. The College takes care to publish the pre-University or College theory results.

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

As the University makes the changes in the examination pattern, the College adopts the reform by duly conducting tutorials and college theory exams.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NO such initiative.

6.11 Activities and support from the Alumni Association

- Alumni attend the meeting conducted by the Alumni Association.
- Feedback about the syllabus, the practical activities like practice lessons, internship, etc.
- After analysing the feedback strategies for improving the functioning were adopted.
- The Alumni Association keeps us updated with the vacancies for placement in different Institutions.

6.12 Activities and support from the Parent – Teacher Association

- Parents attend the counselling on the very first day of the college.
- Feedback about the syllabus, the practical activities like practice lessons, internship, etc.
- After analysing the feedback strategies for improving the functioning were adopted.
- Two meetings annually are conducted one at the beginning of the course and the other at the end of the Academic year to discuss the further avenues for the student.

6.13 Development programmes for support staff

- Teachers are given opportunities for training through orientation and refresher courses.
- Teachers are provided with computer availing facility and internet facility.
- Teachers are given opportunities to participate in seminar, conferences and workshop.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Campus declared no smoking zone.
- Campus declared plastic free zone.
- Regular testing of drinking water and quality of canteen food.
- An Eco-Club was set up by the College.
- Use of paper bag is encouraged.
- Cleanliness drives in the campus were conducted.

Criterion – VII

Innovations and Best Practices.

7.1 Innovation introduced during this Academic year which have created a positive impact on the functioning of the Institution. Give Details.

- Blue print schedule for academic year was prepared by the faculty.
- Case study of exceptional children was prepared by the pupil teachers.
- Reforms were made in Practice teaching technique.
- Admission assemblies was organised for parents and students for guidance and counselling.
- Question bank and MCQ bank was prepared by Faculty.

7.2 Provide Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

- Workshop was arranged to provide Guidelines to the faculty to Prepare Blue print schedule.
- Workshop was arranged to provide Guidelines to the Pupil teachers to Prepare Case study of exceptional children.
- Workshop was arranged for planning lessons based on different models of teaching.
- Admission Committee was formed to orient the parents and students about B.Ed course.
- Paper wise Committee was formed to prepare Question bank and MCQ bank .

7.3 Give two Best Practices of the Institution

- Blue print schedule for academic year was prepared by the faculty.
- Case study of exceptional children was prepared by the pupil teachers.

7.4 Contribution to environmental Awareness / Protection.

- Boards displaying Silence Zone were installed in campus.
- Boards displaying No Smoking zone were installed in campus.
- Area adoption scheme was undertaken by the students for keeping that area clean and beautiful.

7.5 Whether environmental Audit was conducted.

Yes	✓
-----	---

No	
----	--

**7.6 Any other relevant information the Institution wishes to add.
(for example SWOT Analysis)**

Strengths	Weaknesses	Opportunities	Threats
1. Excellent Result	Lack of Urdu Literature in the Library.	Resources for faculty development	Establishment of Private colleges
2. 05 Students stood in B.Ed. merit and 02 in M.Ed. in Dr. B.A.M. University.		Campus Placement facility for students	Commercialization of Education
3. Highly qualified faculty.		ICT training for students	Faulty Pattern of Examination
4. Marathwada College of Education Research Centre for Ph.D. Students.		Guidance and Counseling cell for students	Vast Syllabus
5. Excellent Infrastructure.		Research centre for pursuing higher studies for students	
6. Well equipped Library.			
7. Digital Classrooms.			
8. 07 students qualified NET in Education			

8. Plans of Institution for next year

<ul style="list-style-type: none"> • Computer assisted instruction will be introduced by the faculty in the classrooms. • Research cell will be established. • Innovative teaching aid cell will be generated in order to provide teaching aids to the local schools. • Self prepared MCQ bank will be prepared by students. • Display boards will be mounted on classroom walls to depict achievements of students.

ANNEXURE I:

Academic Plan 2007-2008
For B.Ed.

Month	Academic Activities	Curricular Extracurricular & Other Activities
June	Theory & Practical Workshop of lesson plan Internship Micro teaching	Re-opening of the College
		Staff Meeting
		Distribution of work to staff
		Faculty Development Programme

ANNEXURE-III

CRITERION-VII BEST PRACTICES(7.3)

Best practice No.01

(1) Title: Reformation in Practice teaching programme of B.Ed students.

(2) The Context that require initiation of the Practice:

Practice teaching programme is a practical training given to the pupil teacher in real classroom setting. All the 20 lessons training are provided in traditional method .But keeping in mind the changing need of the learner reformation was done and 5 lessons training are provided by using models of teaching of their own choice.

(3) Objectives:

a) To acquaint pupil teacher about different models of teaching.

b) To provide training to the pupil teacher to teach in the classroom by using different models of teaching .

(4) The Practice:

The theory part of different models of teaching was taught to student by the expert faculty members of our college. The workshop was conducted for the pupil teacher to prepare lesson plan by using

different models of teaching. The pupil teachers prepare the lesson plan by using different models of teaching namely

-Concept attainment model

-Inquiry training model

-Cognitive growth model

- 5) Obstacle faced, if any and strategies adopted to overcome it:
 - 1) Pupil teacher experience difficulty in planning the lesson plans by using different models of teaching.
 - 2) Limited time available was another restraint for pupil teachers.
- 6) The Impact of the Practice:
 - a) Pupil teacher gets acquainted with the latest model of teaching.
 - b) Pupil teacher gets acquainted with lesson planning of different models of teaching.
 - c) The student learns the knowledge in a better way.
 - d) This model made the pupil to learn the concepts by analyzing and synthesizing the knowledge.
 - e) Learner discovers the knowledge on their own.
 - f) The learner learns the correct concepts by using this model.
 - g) Student learning was improved and their comprehension power was also improved
 - J) This method also brings fruitful results for the higher classes.
- 7) Resources Required:
 - Teaching aids
 - Models
 - Maps
 - Flash cards
 - Audio visual aids

8) Contact Person

Dr. Suhail Ahmed Khan ,Principal Marathwada College of Education
Aurangabad.

Best practice No.02

(1) Title: Case study of exceptional children

(2) The Context that require initiation of the Practice:

Exceptional children are the children who deviate from the normal children in physical, mental, social and emotional aspects. These children accounts for 5-7 % in every school .If teacher is unaware about the problems of these children and if they remain neglected they will prove infructuous to the society and nation. Inorder to acquaint pupil teacher about how to diagnose these children and provide remedy to them is very essential. It is also important that teacher should be able to identify the gifted children and provide special education to them

(3) Objectives:

- a) To impart the knowledge about exceptional children.
- b) To acquaint the pupil teacher about the characteristics of exceptional children.
- c) To acquaint pupil how to identify these children with the help of various diagnosing test

(4) The Practice:

The Teacher provided the theoretical information about the different types of exceptional children. The teacher divided the students into groups and assigned the practicum of identifying exceptional children and provident remedy to them. The teacher provided proforma of case study of exception children which deals with

- personal information of the subject
- birth history of the subject
- academic details of the subject
- Socio economic condition of the subject
- Observation of the traits of the subject
- Identifying the subject on the basis of some specific test.

The students were asked to go to the special schools and collect the information and prepare the case study of these children.

(5) Obstacle faced, if any and strategies adopted to overcome it:

- 1) Cooperation of exception child in collecting information.
- 2) Diagnosing the problem of the child in limited period of time available at the disposal of the pupil teacher.

Strategies adopted:

The pupil teacher were trained to be very polite act patiently while collecting information.

(6) The Impact of the Practice:

- a) Most of the Malpractices are stopped due to open book exam.
- b) Illegal ways and means to get passed in the exams were curbed due to this system of examination.
- c) Students confidence level was shoot up due to not much drilling as it happens in open book exam.
- d) The student remains free from Stress and depression and feels relaxed while attempting for open book exam.
- e) Students fear and phobia were completely removed and were happy to attempt the question.
- f) Students face the exams confidently and fearlessly.

- g) Student learning was improved and their comprehension power was also improved.
- h) The learner gains the knowledge through their insight.
- i) This method proves good for slow learner
- h) The Learning burden of student was reduced.

Resources Required:

-Open book exam test booklet
