Dr. Naveed-Ul-Sahar initiated the meeting by asking if there was any complaint or difficulty in any form in air as no written complaint was received in the office if so proper cognisance would have been taken. Ms. Khan Waheda Hatoon and Dr. Manerao said that there was no complaint academically. Mrs. Shafeeqa also denied of any complaint. Office staff Mr. Rafiuddin also admitted that there was no complaint in the office of students and non-teaching staff.

The college was functioning smoothly so far. I/C principal, Dr. Naveed-Ul-Sahar madam told us to see the grievance at any point from students, teaching and non-teaching staff.

The meeting ended hoping to have no complaints and if complaints are made it should be heard and resolved in the best possible way.

On the 11<sup>th</sup> December, 2020 a meeting was called. The last min meeting minutes were read by Mrs. Khan Waheeda Hassan. The meeting started with the discussion of the first point of the agenda "Redressal of student grievances online or offline." It was decided that the whats app group for girls and boys would be separate to maintain confidentiality of girls phone numbers. The respective subject teachers should share the link of lectures on both the groups of 1<sup>st</sup> Year B. Ed and 2<sup>nd</sup> Year B. Ed students. Four groups of students were made. The students being aspiring teachers we actually had never ever faced any kind of sexual harassment issues in past college history. The peons were asked especially Safiqia whether there was any kind of verbal complaint so that we can address to it. But no complaint was given in written or verbal form online or offline. The office bearers were asked if there was any complaint. There was no complaint but the entry of office was too narrow when there is rush for admission or collection of Scholarships etc. Window system was organised and different windows were opened to solve difficulty but again no complaint was ever received.

The guidelines were discussed for activities like micro-teaching, online tutorials workshops of teaching aids etc.
